PROFILE

Over ten years of professional experience in Project Management, Integrated Marketing Communications, Event Management and specialised project management on Creative Design, Concepting and Critiquing. My experience and unique selling proposition lies in details and seeing the bigger picture of how the jig saw puzzle fits together – moving the right pieces to the right place at the right time.

WORK EXPERIENCE

Marketing Manager

July 2024 - Dec 2025

Elegant Media, Melbourne, Australia
Marketing, Research and Operations

- Collaborated with a global marketing team to plan, execute and optimise Google Ads campaigns across a diverse client portfolio within the software and mobile app sector.
- Managed internal systems and operational tools, improving workflow efficiency and supporting smoother cross-team coordination.
- Coordinated internal events, staff initiatives and marketing activities that strengthened team engagement and alignment.
- Developed and implemented quarterly marketing strategies, including reporting frameworks that enhanced visibility of campaign performance and informed strategic decision-making.
- Provided subsidiary marketing and admin support to BAPS Cleaning (a subsidiary of Elegant Media), tasks included:
 - Wrote and updated service web content, scheduled page and social updates in line with the Elegant Media marketing calendar, and provided hands on administration support to the Director and General Manager including scheduling, vendor liaison and simple performance reporting

Project Manager and Marketing Specialist

2018-2024

The Greenhouse Studio, Suva Fiji Islands

Marketing, Graphic Design and Communications

- As project management specialist for the company, daily tasks included managing design requests for a portfolio of clients (managing between 4 to 15 clients at a time) that includes regional development partners and corporate clients. Key point of contact between client and the design team, which included liaising with the team, partners and suppliers for the timely submission of all project deliverables, monitoring work progress and keeping in contact with clients at all stages, responding to clients' requests and overseeing design changes between clients and design department, delivering final products for review which includes quality control and ensuring that projects are completed on time and within budget
- In 2021, this role was expanded to overseeing the development of the second company under the Greenhouse brand - Greenhouse Coworking - this included recruiting, training, sourcing products and furniture, developing content for the website and development of a social media campaign for the opening of the company.

Marketing and Events Manager

2015-2018

The Greenhouse Studio, Suva Fiji Islands

Marketing, Graphic Design and Communications

- This role involved overseeing marketing and project coordinators and managing over 20 active graphic design and website projects at a time
- Managing and coordinating all marketing, advertising and promotional staff and activities which included planning, marketing and branding objectives.
- In the Events capacity, this role included managing the events team in the development and production of events from proposal to delivery. This includes delivering events on time, within budget, that meet and exceed expectations whilst also setting, communicating and maintaining timelines and priorities on every project and providing a post-event evaluation.
